NOTES:

In Lewis County, according to the Gouverneur Times, “issues were reported with three machines.”

The countywide totals in this spreadsheet match those in the Watertown Daily Times. As all of Lewis County is included in the 23<sup>rd</sup> Congressional District, these numbers have to be incomplete, with only 19 of 31 precincts (election districts) reporting.

The most anomalous precincts are Diana’s 2<sup>nd</sup> district, where Hoffman got only 32% of the vote, and Lewis, where Owens got only 16% of the vote. These numbers almost have to be wrong.
